May is YOUTH SERVICES MONTH

May is Youth Service Month, and there are many ways your Rotary Club can celebrate. Sponsor an Interact Club or Rotaract Club and your Rotary Club will give young people in your community the tools they need to take action, become leaders, and gain a global perspective. Team up with your local Interact or Rotaract Club for a service project. Rotary's programs for young leaders extend our ideals of service, friendship and leadership development. When we serve with and for these young people as sponsors, project partners and mentors it brings out the best in us and it brings out the best in Rotary.

MY ROTARY and your CLUB

My Rotary Accounts at rotary.org - 29% of District 6060 members have an active *My Rotary* Account, which means 71% of you have never activated your *My Rotary* account. You are missing out of a lot of opportunities that Rotary has to offer i.e. free education webinars, download Print brochures, business cards, research, report, learning center, brand center and so much more..... Please activate your *My Rotary* account. Club Presidents make sure you have your club members perform this task.

BANNER ORDER closes soon

You have the opportunity to order your own Rotary banners to display at your service projects, fundraisers and club events. The District will place a bulk order for the Six Area of Focus Banners that are pictured. All six banners at the bulk price are \$413 per set which includes handling and shipping costs. One suggestion is that a group of your clubs could combine your resources and share a banner set. Purchasing these banners for your own club would allow you to always have the six banners ready and available when your events occur. **ORDERS CLOSE ON MAY 1, 2019.** I will need your checks at the time of ordering and the checks are payable to "The Copy Shoppe." Please let me know if you have any questions.

Rotary Leadership Institute

Rotary Leadership Institute (RLI) is coming soon to District 6060...More details later
