## Rotary Days & District Project

Rotary Days In an effort to increase membership and highlight Rotary's inspiring work, RI President Barry Rassin is urging clubs and districts to organize fun, informal community events called Rotary Days.

"Rotary Days events will offer you the chance to have an impact in your community, build long-term partnerships, increase interest in membership, and improve Rotary's image," Rassin said.

Any club, big or small, can host a Rotary Day. Neighboring clubs can pool their resources and co-host an event, and entire districts can come together for a large-scale Rotary Day. During and after your event, post photos and videos with the hashtag #RotaryDay to social media. We'll collect photos of Rotary Day events around the world and show them at the 2019 Rotary International Convention in Hamburg, Germany. Some may also appear in Rotary media throughout the year.

The **DISTRICT WIDE** effort will be to assist with the Boy Scout's Scouting For Food program. If you have a Boy Scout troop in your Community that participates in the annual food drive on November 17, I am asking your club members to assist them with the sorting of food on that day as a District Wide Service Project. Also if you do not have a Boy Scout troop in your Community, please choose another worthy recipient for your Clubs work. November 17 can also qualify for Rotary Days.
