News from the Governor

Several great things took place around the District to celebrate World Polio Day on October 24. Thanks for letting your community know how Rotarians are working across the globe to serve humanity.

To celebrate World Polio Day on October 24, Rotary Club of Union collected \$503.50 outside Frick’s Market. For every \$1 collected, it will be matched 2-to-1 by the Bill & Melinda Gates Foundation, totaling \$1510.50 for support, transport and materials needed in the fight against polio. Rotarians bared the damp, cold weather and were rock stars for the sake of ending polio! Photos available on *Facebook – Rotary Club of Union Missouri #2349*.

This month during the week of November 4 – 10 we celebrate ‘World Interact Week’. Do something special for your Interact Clubs. Make a visit, provide lunch or treats! Get a proclamation in the school or local newspaper. Our Youth are Our Future – Celebrate them!

Ten clubs were represented at the event. Over 50 attended. \$1,185 was raised from clubs supporting Shelter Box. A truck full of books were donated for the Pike County Head Start Program.

A great time was had by all. We are looking forward to a Spring event elsewhere in the District.
