

Good Monday Morning to all Club Presidents, Presidents-elect, Secretaries and Assistant Governors

I hope you are all practicing good safety habits these days, avoiding gatherings and keeping your social distance. Please look after those in your clubs and neighborhoods that are most vulnerable during these times.

In the absence of many meetings it might be a good time to catch up your club's data base on DaCdb and Rotary Club Central.

Stay in touch with your club members via e-mail and conference calls. Hold a meeting on Zoom, WebEx, or other service. I use a free service for conference calls – freeconferencecall.com

The Zone is offering a Webinar this Thursday you are welcome to join.
